The SOURCE PRADMATION REPORT SECRET/CONTROL US OFFICIALS ONLY SEQUREMENT INFORMATION OUNTRY USSER (Arctic) REPORT THE SOURCE PRADMATION IN THIS REPORT AND DEFINITIVE. INFORMATION OF CONTROL IS INFORMATION. 1. 2. There is a space for only one vensel at pier No. 3. There is a good edge on this pier, with stakes at the very sidge. There is space for two vensels at pier No. 9-10. The ship had the weathern berth at the pier; the sounding at the inside of the ship read 23 feet. Because the ship which had the western berth lay a little out from the pier, there were shoals there. 4. Soundings were not taken at pier No. 16-17, but one vensel lay there and was completely loaded, with a total cargo of 1350 standard tons. 5. A few merchant vensels lay at the shipyard at Solombala. There was little you're done on them and they looked as if they were condemned. SECRET/CONTROL US OFFICIALS ONLY.						50X1-HUM
